

UNH Cooperative Extension &
NHEdGIS Presents

Getting Started with StoryMaps for K-12 Teachers

VIRTUAL WORKSHOP

JAN 12, 2022 • 3:30 PM - 4:30 PM

OR

JAN 20, 2022 • 3:30 PM - 4:30 PM

*with an optional hands-on lesson
that will run until 5pm*

Learn how to make your own
interactive StoryMaps using
easy to use tools.

Open to all. No experience necessary!

\$50 Gift Cards for the first 40 NH teachers to attend!

In one hour, we will walk you through how to make
your own StoryMap and give you the resources to start
using StoryMaps in your classroom.

If you used classic Story Maps in the past, we will be covering
the new StoryMap template and the exciting new tools that are
now available. StoryMaps are available for FREE to K-12
schools through the [ArcGIS for Schools Bundle](#).

Contact NHEdGISPartnership@gmail.com if you need help
setting up your account.

Additional help is available!

StoryMap Office Hours will be offered every other Thursday,
starting January 27, 2022 at 3:30-4:30pm. These open calls
are available for you to check in with experts and get help with
your projects and StoryMaps.

Students in grades 4-12 who complete a StoryMap by
May 11, 2022 are encouraged to enter their StoryMaps to the
[NH Student Map Competition!](#)
