

To register for the Watershed Ecology Institute 2018, follow these instructions:

1. Click on the Sign Up Now Online link on the NH Educational GIS Partnership website.
2. Type WEI2018 in the Event Passcode box, then click Submit.
3. The next step depends on whether or not you have registered for a previous NH Fish and Game event using their S3 Event Manager website:
 - a) If you have previously registered, please login with your username and password.
 - b) If you have not previously registered, please register as a new user. Whenever you go back into this event or sign up for any other workshops here at NHF&G, you will use the username and password you create.
4. Register for the event by filling out all the fields; put in your legal name or as it appears on your driver's license, enter your home address, etc.
5. After registering, click on the "My Events" tab, then click on "Watershed Education Program" to get workshop details and map.
6. To get the agenda, scroll down to "Additional Course Files".
7. IF YOU HAVE DIFFICULTIES, please contact Judy Tumosa; judy.l.tumosa@wildlife.nh.gov
