

# STUDENTS CAN WIN \$100 FOR THEIR MAPS! (TEACHERS CAN WIN \$100 TOO!)

## ArcGIS Online New Hampshire State School Map Competition

An online mapping competition for middle (gr. 4-8) and high school (gr. 9-12) students. State Finalists win \$100 and are entered the Esri National Competition.

### ELIGIBILITY

- New Hampshire public, private or home-schooled students are eligible to enter.
- Maps can be submitted individually or as a team of two. Limit 1 entry per student or team. Limit 5 entries per school.
- Maps must focus on content within the state of New Hampshire.
- All entries must be an ArcGIS Online Presentation, Web App or Story Map and use an ArcGIS Online organization account. ArcGIS Online is available for free to any K-12 School at [connected.esri.com](https://connected.esri.com)
- All School Entries must be submitted by 12 noon on Friday, May 8, 2020. State finalists will be announced on May 20, 2020.

### PRIZES

The five maps judge the best in each division will be awarded a \$100 prize

- Middle School Division (gr 4-8)
- High School Division (gr 9-12)

Teachers who submit student maps will be entered into a \$100 Cash Raffle.
